KNOW YOUR GOALS AND PLANNING FACTORS

Where do you or your family want to live? How much do you need to make?

Will the job give you a sense of purpose and belonging?

What industries are a good fit for your skill sets?

Do you need additional training or education for your dream job?

Are your goals realistic based on a host of factors such as the benefits available to you, tools at your disposal, and the needs, wants, and desires of you and your family?
